Intent and Overview
The intent of this two-day course is to expand the clinical knowledge base in common foot and ankle conditions and to provide the latest surgical techniques for diagnosing and treating many types of foot and ankle maladies. The faculty includes distinguished national and international speakers from academic, research, and clinical institutions.

Who Should Attend
Podiatrists, primary care physicians, general, and orthopedic surgeons and other health care providers involved in the clinical and surgical management of the foot and ankle.

Continuing Education Credit
The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this educational activity for a maximum of 12.0 AMA PRA Category 1 Credits™. Each physician should only claim credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded 1.2 continuing education units (CEU’s) which are equal to 12.0 contact hours.

UPMC South Side is approved by the Council on Podiatric Medical Education as a sponsor of continuing education in podiatric medicine.

Meeting Location
The conference will be held at the Pittsburgh Airport Marriott, 777 Aten Road, Coraopolis, PA 15108. Telephone: (412) 788-8800 or 1-800-328-9297

Accommodations
A limited block of rooms has been reserved at the hotel until May 17, 2007. When calling for reservations, please state that you are attending the UPMC South Side Podiatry Conference to receive a special rate of $92.00 per night for single or double occupancy. Taxes are applicable.

Parking for the conference is available at the hotel at no additional charge.

Special Needs
Participation by all individuals is encouraged. Advance notification of any special needs will help us provide better service. Please notify us of your needs at least two weeks in advance of the program by calling Debra Bodner, Course Administrator at (412) 488-5413.
