Intent and Overview

This course is designed to cover the most recent advances in thyroid cancer therapy including methods of detection, treatment and research. Upon completion of the activity, learners from several disciplines should be able to discuss the latest thyroid cancer methods of detection, treatment, surveillance and research and describe how these advances can be applied to their practice.

Who Should Attend

This course is designed for physicians, nurses and other health care professionals practicing in the areas of Endocrinology, Surgical, Medical and Radiation Oncology, Pathology, General Surgery and Otolaryngology.

Continuing Education Credit

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Pittsburgh School of Medicine designates this educational activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Each physician should claim only credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded 0.70 continuing education units (CEUs) which are equal to 7.25 contact hours.

Meeting Location

The conference will be held at the Herberman Conference Center, located on the second floor of the Cancer Pavilion at UPMC Shadyside, 5150 Centre Avenue, Pittsburgh, PA 15232.

Registration Information

Pre-register
All pre-registrations are due one week prior to the beginning of the conference. Registrations after this date are accepted only as on-site registrations.

Pre-registrations (due by October 1, 2010)
Registering online is the quickest and easiest way to reserve your space at CCEHS conferences.
1. Visit our online registration site at https://ccehs.upmc.com/formalCourses.jsp#2605
2. Click the Registration button and enter all the requested information (including an email address) and follow the prompts to submit your registration after entering your payment information.
3. Print the automatic electronic registration confirmation email sent to the email address you provided us when you registered. If you do not receive this confirmation, please contact us at (412) 623-5993.

Paper Registrations by Fax or Mail (see contact information below)
If you are unable to register online please submit a request for paper form. UPMC employees whose registration fee will be remitted via journal transfer must request the paper registration form. For a paper registration form, please contact us at (412) 623-5993.

A confirmation letter will be faxed or mailed if registration is completed through the mail or fax by the pre-registration deadline. If you register online, you will receive an immediate e-mail confirmation message.

Please note: Registration is not complete until you receive this confirmation. If you do not receive this letter within 5-7 days of registration, please contact us at (412) 623-5993.

You must bring this confirmation letter with you to the conference.

Cancellation
All cancellations must be in writing and sent to us via U.S. mail, e-mail or fax. Tuition for cancellations postmarked or date stamped before October 1, 2010 will be completely refunded. After October 1, 2010 a $35 administrative fee will be assessed. No refunds will be made after October 8, 2010.
