13th Annual
John M. Templeton Jr.
Pediatric Trauma Symposium

March 1 – 2, 2013
Marriott Pittsburgh City Center • Pittsburgh, Pennsylvania
OVERVIEW

Trauma is the leading cause of childhood death and disability. However, pediatric trauma care continues to pose significant and unique challenges. This two-day national symposium will provide the health care practitioner with up-to-date clinical information for the management of injured children and their families. Current issues will be addressed across the continuum of trauma care.

OBJECTIVES

At the conclusion of this course, the participant should be able to:

• Describe current treatment and technologic advances that decrease pediatric death and disability.
• Discuss how trauma impacts the physical and emotional future of the pediatric patient.
• Identify strategic measures to reduce the incidence of pediatric traumatic injuries.

WHO SHOULD ATTEND

This multidisciplinary conference is designed for trauma surgeons, physicians, nurses and other health care professionals involved in the care of injured children.

CONTINUING EDUCATION CREDIT

CME Accreditation

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of 15.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Other health care professionals are awarded 0.15 continuing education units (CEU’s) which are equal to 15.0 contact hours.

Nursing Accreditation

This continuing nursing education activity has been approved for 15 contact hours by the UPMC Provider Unit of the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

EMS Accreditation

The Children’s Hospital of Philadelphia is approved as a provider of continuing EMS education by the Pennsylvania Department of Health. An application for Pennsylvania EMS credit has been submitted. This course is for advanced pre-hospital providers.

Social Work

An application has been sent to the University of Pittsburgh School of Social Work for 15 credits and is pending approval.

MEETING LOCATION

The conference will be held at the Marriott Pittsburgh City Center, 112 Washington Place, Pittsburgh, PA 15219, (412) 471-4000.

AIRPORT TRANSPORTATION

Airlines Transportation Company provides shuttle service from the Pittsburgh International Airport to the Marriott Pittsburgh City Center. The cost is $20 one-way. The hotel bell captain can assist you with scheduling for your return to the airport.

OVERNIGHT ACCOMMODATIONS AND PARKING

The UPMC Center for Continuing Education in the Health Sciences has reserved a block of hotel rooms at discounted rates at the Marriott Pittsburgh City Center for our conference attendees. You may make reservations at your own discretion. The room block is limited and only available until February 7, 2013. Space cannot be guaranteed once the block expires or the block is filled, whichever occurs first.

In order to reserve a room at the discounted rate of $108/night plus applicable taxes, please call the hotel at (412) 471-4000 or 1-888-456-6600 and mention you are attending the John M. Templeton Jr. Pediatric Trauma Symposium.

If you experience difficulty arranging your reservations, please call Krystal Moore at 412-647-7050 or 412-647-8232.

Based on availability, conference attendees may park in the Marriott Garage. The fee for this garage is in the range of $20/daily. Other pay lots are located throughout downtown Pittsburgh. Please note that parking is on your own and not included in the conference registration fee.

At an additional fee, the Marriott Pittsburgh City Center also provides valet parking for overnight guests.

SPECIAL NEEDS

Participation by all individuals is encouraged. Advance notification of any special needs will help us provide better service. Please notify us of your needs at least two weeks in advance of the program by calling (412) 647-7050 or (412) 647-8232.

CHILDREN’S HOSPITAL OF PITTSBURGH OF UPMC TOUR

We are delighted to offer all conference attendees a tour of the Children’s Hospital of Pittsburgh of UPMC. Renowned for its outstanding clinical services, research programs and medical education, Children’s has helped establish the standards of excellence in pediatric care.

Children’s Hospital has been in its new 10-acre home in Pittsburgh’s Lawrenceville neighborhood since May 2009. Designed with input from physicians, nurses and families to ensure that patients receive care in a comfortable setting, the hospital is a benchmark for quality care. The hospital was named one of the most beautiful hospitals in the world by HealthExecNews.com in 2012.

Please register if you plan to attend this tour by checking the box on the registration form on page 7.
Course Directors
Christine Campbell, RN, MS  
Trauma Program Manager  
St. Christopher's Hospital for Children

Barbara A. Gaines, MD  
Director, Benedum Pediatric Trauma Program  
Children's Hospital of Pittsburgh of UPMC

Christine McKenna, MSN, CRNP  
Manager, Trauma Clinical Services  
Children's Hospital of Pittsburgh of UPMC

Matthew Moront, MD  
Director of Trauma Services  
St. Christopher's Hospital for Children

Michael L. Nance, MD  
Director, Pediatric Trauma Program  
The Children's Hospital of Philadelphia

Marla Vanore, RN, MHA  
Director, Trauma and Injury Prevention Programs  
The Children's Hospital of Philadelphia

Planning Committee
Monica Liebman, RN, MSN, PHRN  
Clinical IV Nurse  
The Children's Hospital of Philadelphia

Marianne Miller, RN, MSN  
Trauma Performance Improvement Coordinator  
Children's Hospital of Pittsburgh of UPMC

Mary Jo Pedicino, RN, MSN  
Trauma Education Coordinator  
The Children's Hospital of Philadelphia

FACULTY
Thane A. Blinman, MD  
The Children's Hospital of Philadelphia

Jeremy W. Cannon, MD  
San Antonio Military Medical Center

Wellington Davis, MD  
St. Christopher's Hospital for Children

Anthony L. DeRoss, MD  
Rainbow Babies and Children's Hospital

Wayne A. Fleck, RN, BSN, BA  
Pediatric Trauma Program Coordinator  
Rainbow Babies and Children's Hospital

Jonathan I. Groner, MD  
Nationwide Children's Hospital

Michael B. Grossman, DM, MSN, RN  
Nurse Leadership Builders

Kathy Haley, RN, BSN  
Nationwide Children's Hospital

Melinda Fiedor Hamilton, MD, MSc  
Children's Hospital of Pittsburgh of UPMC

Mary Christa Hiller, RN  
The Children's Hospital of Philadelphia

Dennis J. Kitsko, DO  
Children's Hospital of Pittsburgh of UPMC

R. Todd Maxson, MD  
Arkansas Children's Hospital

Mary Alice McCubbins, CPNP  
St. Louis Children's Hospital

Stephen A. Mendelson, MD  
Children's Hospital of Pittsburgh of UPMC

Kelly Nadeau, RN, MN, EMHP  
Georgia Department of Public Health

Kanwal Nischal, MD, FRCPsych  
Children's Hospital of Pittsburgh of UPMC

Ashok Panigrahy, MD  
Children's Hospital of Pittsburgh of UPMC

James A. Petruzzi  
City of Pittsburgh Fire Bureau  
City of Pittsburgh Paramedic-Rescue

John Recicar, MBA, MHA, RN  
Program Director, Trauma Center  
Arkansas Children's Hospital

Philip C. Spinella, MD  
St. Louis Children's Hospital

Kathaleen Strotmeyer, MEd  
Pennsylvania Chapter, American Academy of Pediatrics

Christine Vitale, RN, MSN  
Children's Hospital of Pittsburgh of UPMC

Sally Jo Zuspan, MSN, RN  
University of Utah School of Medicine

In accordance with Accreditation Council for Continuing Medical Education requirements on disclosure, information about relationships of presenters with commercial interests (if any) will be included in materials distributed at the time of the conference.

CALL FOR ABSTRACTS

The conference organizing committee invites you to submit an abstract for oral or poster presentation at the 13th Annual John M. Templeton Jr. Pediatric Trauma Symposium. This is an excellent opportunity to share your best practice initiative or pediatric trauma research project. The oral and poster sessions will focus on topics that are of interest and importance to all clinicians involved in the care of pediatric trauma patients.

Abstracts will only be accepted for review until the submission deadline, December 1, 2012. Please visit https://ccehs.upmc.com/liveFormalCourses.jsf for full submission guidelines and to submit your original work.

Papers presented at other meetings that represent original material not previously published in a peer-reviewed journal will be considered.

Each first author of an abstract that is accepted for poster or oral presentation will receive a $50 discount off the course registration fee.
SCHEDULE — FRIDAY, MARCH 1

7:00 am  Registration, Continental Breakfast and Exhibits

8:00 am  Welcome
          Barbara A. Gaines, MD

          Moderator:  Michael L. Nance, MD

8:15 am  Pediatric Massive Transfusion Protocols
          Philip C. Spinella, MD

Damage Control Resuscitation (DCR) techniques that are employed in massive
transfusion protocols have become common in adult trauma centers. This
presentation will review data on how early shock and coagulopathy is associated
with increased risk of death and will discuss how massive transfusion protocols
can be used to perform DCR in children with traumatic injuries.

9:00 am  Translating Research into Evidence Based Practice
          Sally Jo Zuspan, MSN, RN

Join this nursing expert from the Pediatric Emergency Care Applied Research
Network (PECARN) as she offers her insight into how we can translate
information from PECARN research into our daily practice.

9:45 am  Trauma System Evolution – The Role and Responsibility
          of Children's Hospitals
          R. Todd Maxson, MD

With over 30 years of progress in developing trauma systems in America, this is a
look at the evolution of pediatric trauma care. Highlighted is the role of the
pediatric trauma center and the influences that pediatric programs and pediatric
providers have had in the United States’ trauma systems. There will also be a
discussion of where we could and should be going with pediatric care in the future.

10:30 am  Break and Exhibits

          Moderator:  Barbara A. Gaines, MD

11:00 am  A Hidden Form of Shock: Feeding the Trauma Patient
          Thane A. Blinman, MD

Substrate delivery can be as important as oxygen delivery in the pediatric trauma
patient. This talk shows how to avoid starving (or overfeeding) the sick pediatric
trauma patient.

11:25 am  Managing Pediatric Orthopedic Trauma Emergencies
          Stephen A. Mendelson, MD

When is it not “just a broken bone?” This talk will explore factors that impact
identification, evaluation, and treatment of critical orthopedic injuries.

11:50 am  Neuro MRI 101
          Ashok Panigrahy, MD

With the recent concerns regarding radiation exposure raised in the lay and
medical literature, MRI is becoming a more popular modality. Learn basic
approaches to MRI interpretation for common trauma studies.

12:15 pm  Panel Discussion/Questions and Answers

12:30 pm  Lunch

Optional Session: Lunch with the Trauma Program Managers
Kelly Nadeau, RN, MN, EMHP; Kathy Haley, RN, BSN;
Christine McKenna, MSN, CRNP
Moderator: Marla Vanore, RN, MHA

Register for lunch to participate in an informal interactive session with
Trauma Program Managers. Bring your questions on issues you are
facing every day. This is your chance to discuss them with your peers!
(Space is limited; register early to confirm your seat)

Optional Session: Lunch with the Trauma Medical Directors
R. Todd Maxson, MD; Jonathan I. Groner, MD; Barbara A. Gaines, MD
Moderator: Matthew Moront, MD

Register for lunch to participate in an informal interactive session with
Trauma Medical Directors. Bring your questions on issues you are
facing every day. This is your chance to discuss them with your peers!
(Space is limited; register early to confirm your seat)

1:45 pm – 3:00 pm  Concurrent Session A: Challenging Cases in Pediatric Trauma I

          Moderator: Marianne Miller, RN, MSN

From theory to implementation: trauma care is explored
in case presentations.

          1:45 pm  St. Louis Children’s Hospital
          Philip C. Spinella, MD

          2:10 pm  Arkansas Children’s Hospital
          R. Todd Maxson, MD and John Recicar, MBA, MHA, RN

          2:35 pm  St. Christopher’s Hospital for Children
          Matthew Moront, MD and Wayne A. Fleck, RN, BSN, BA

          3:00 pm  Panel Discussion/Questions & Answers

1:45 pm – 3:00 pm  Concurrent Session B:  Focus on Fire

          Moderator: Christine Campbell, RN, MS

          1:45 pm  Fire Rescue: A Firefighter’s Perspective
          James A. Petruzzi

          At some point in our careers, most of us care for someone with a burn
          injury. Hear firsthand the challenges faced by the first responder to a
          fire as the firefighter prepares for and executes a rescue.

          2:10 pm  Pediatric Burn Injuries: A Suggested Algorithm of
          Management
          Wellington Davis, MD

          Burns are a frequent injury seen in pediatric patients. Learn common
          burn injuries, injury patterns and new aspects of wound management
          including wound products.

          2:35 pm  Minimizing the Trauma of Burn Injuries:
          Rehab and Beyond
          Mary Alice McCubbins, CPNP

          Burn injuries can be the most devastating of all traumas with effects lasting
          well beyond hospital discharge. This session explores a comprehensive
          approach to restoring quality of life to burn injured children.

          3:00 pm  Panel Discussion/Questions and Answers
3:15 pm Break and Exhibits

Concurrent Session C: Oral Abstracts
Moderator: Barbara A. Gaines, MD

3:45 pm Oral Abstracts

Be the first to hear the latest research in pediatric injury. During this session, the best of the submitted abstracts will be presented by their authors.

Concurrent Session D: Clinical and Social Concerns in Pediatric Trauma
Moderator: Mary Jo Pedicino, RN, MSN

3:45 pm

Kids Swallow the Darnedest Things
Mary Christa Hiller, RN

Infants and toddlers eat just about anything. This speaker will review the diagnosis and current management of foreign bodies in the esophagus with particular attention to the increased ingestion of disk batteries and magnets in children.

4:10 pm Use of the E-Record to Enhance Trauma Care
Sally Jo Zuspan, MSN, RN

What is the role of the EHR in improving care beyond our local centers, how can we explore and support this evolving technology. Join Sally Jo as she shares her expertise and looks forward to your thoughts about how we can use our electronic resources to improve trauma care.

4:35 pm Human Trafficking: Can You Identify
If your Patient is a Victim?
Christine Campbell, RN, MS

Hundreds of thousands of people are bought and sold across international borders each year; half of them are children and most are female. The majority of these victims are forced into the commercial sex trade. Learn screening and resources available to combat human trafficking.

5:00 pm Panel Discussion/Questions and Answers

5:15 pm Welcome Reception and Poster Session

Please join us immediately following the end of today’s conference sessions for poster viewing and refreshments.

SCHEDULE — SATURDAY, MARCH 2

7:00 am Registration, Continental Breakfast and Exhibits

8:00 am Welcome
Marla Vanore, RN, MHA

Moderator: Marla Vanore, RN, MHA

8:15 am The Trauma of Challenging Families: Overcoming Communication Barriers
Michael Grossman, DM, MSN, RN

Traumatic injuries affect not only the child, but the family system as well. We can all benefit from improved communication skills during these times of high stress.

9:00 am Abdominal Damage Control in Pediatric Trauma
Jonathan I. Groner, MD

Contrary to how it may seem, not all pediatric abdominal trauma is managed non-operatively. This lecture delves into one of the most challenging issues in pediatric trauma care: management of the open abdomen.

9:45 am Best Practices in Disaster Preparedness: Coordinating Care During Crisis
Kelly Nadeau, RN, MN, EMHP

Whatever the crisis, lessons are learned from the implementation and evaluation of disaster plans. Join this disaster preparedness expert as she discusses strategies to optimize trauma care for families during a disaster.

10:30 am Break and Exhibits

Moderator: Matthew Moront, MD

11:00 am News from Chicago: An Update on the Progress of the American College of Surgeons’ Pediatric Trauma Quality Improvement Program (pedTQIP)
Michael L. Nance, MD

The American College of Surgeons launched the Trauma Quality Improvement Program (TQIP) in 2008 to optimize care of the adult trauma patient. Conspicuously absent from the project were pediatric patients. Current efforts are underway to build a pediatric counterpart to the nationally successful TQIP program. This talk will highlight the efforts to date.

11:25 am Pediatric Vascular Injuries: The Military Experience
Jeremy W. Cannon, MD

This talk discusses the recent extensive experience by US surgeons in managing a range of complex vascular injuries in pediatric combat casualties and the lessons learned that relate to civilian pediatric trauma practice.

11:50 am Visceral Injuries in Child Abuse
Anthony L. DeRoss, MD

Non-accidental injuries in children occur frequently and the pattern of injury is often predictable. This discussion will explore the visceral injury pattern in abused children to add to your differential diagnosis.

12:15 pm Panel Discussion/Questions and Answers

12:30 pm Lunch

Optional Session: Lunch with Injury Prevention Experts
Christine Vitale, RN, MSN; Kathaleen Strotmeyer, MEd; Michael L. Nance, MD
Moderator: Christine Campbell, RN, MSN

Register for lunch with Injury Prevention experts to participate in an informal interactive session. Bring your questions on issues you are facing every day. This is your chance to discuss them with the experts and your peers! (Space is limited; register early to confirm your seat)

Optional Session: Lunch with Simulation Education Experts
Melinda Fiedor Hamilton, MD, MSc and Thane A. Blinman, MD
Moderator: Marianne Miller, RN, MSN

Register for lunch with simulation educators to participate in an informal discussion with practitioners who utilize simulation to advance practice. Bring your questions on this evolving educational strategy. This is your chance to discuss them with the experts and your peers! (Space is limited; register early to confirm your seat)
1:45 pm – Concurrent Session E: Everything in the Head but the Brain
Moderator: Barbara A. Gaines, MD

1:45 pm  Do You Hear What I Hear? Recognition and Management of Temporal Bone Fractures
Dennis J. Kitsko, DO

Despite their low mortality, temporal bone fractures have the potential for significant morbidity. This session presents a guideline for evaluation and management of these fractures.

2:10 pm  The In’s and Out’s of Pediatric Maxillofacial Trauma
Wellington Davis, MD

Maxillofacial injuries often require complex management. Attend this session for in-depth discussion of the timing for interventions, potential complications and management of scarring.

2:35 pm  Sharp or Blunt – The Eyes Have It!
Kanwal Nischal, MD, FRCOphth

See the evaluation of eye trauma through the eyes of an expert. This talk explores diagnostic evaluation and management of vision-threatening injuries.

3:00 pm  Panel Discussion/Questions and Answers

1:45 pm – Concurrent Session F: Challenging Cases in Pediatric Trauma II
Moderator: Mary Jo Pedicino, RN, MSN

Current hot topics and their impact on trauma management are explored through challenging case presentations.

1:45 pm  San Antonio Military Medical Center
Jeremy W. Cannon, MD

2:10 pm  Nationwide Children’s Hospital
Jonathan I. Groner, MD and Kathy Haley, RN, BSN

2:35 pm  Rainbow Babies and Children’s Hospital
Anthony L. DeRoss, MD

3:00 pm  Panel Discussion/Questions and Answers

Conference Adjournment

Transport to Children’s Hospital of Pittsburgh of UPMC
(Please register on the registration form for this optional event)

3:30 pm  Children’s Hospital of Pittsburgh of UPMC Facility Tour
(Please register)

REGISTRATION INFORMATION

Pre-register – Early registrations are due by January 24, 2013. After January 24, 2013, registrations will be accepted until February 24, 2013 at an additional fee and we cannot guarantee space in the program or any program inclusions for those registrations received after this date.

Online Registrations – Registering online is the quickest and easiest way to reserve your space at CCEHS conferences.

• Visit our online registration site at https://ccehs.upmc.com/liveFormalCourses.jsf

• Click the Registration button and enter all the requested information (including an email address) and follow the prompts to submit your registration after entering your payment information.

• If you register online, you will receive an immediate e-mail confirmation message. Print the automatic electronic registration confirmation email sent to the email address you provided us when you registered. If you do not receive this confirmation, please contact us at (412) 647-7050 or (412) 647-8232.

Cancellation – All cancellations must be in writing and sent to us via U.S. mail, e-mail or fax. Tuition for cancellations postmarked or date stamped before February 13, 2013 will be completely refunded. After February 13, 2013 a $35 administrative fee will be assessed. No refunds will be made after February 25, 2013. Cancellation requests must be made in writing to:

Krystal Moore, Coordination Specialist
UPMC/Center for Continuing Education in the Health Sciences
Iroquois Building, Suite 302 • 200 Lothrop Street • Pittsburgh, PA 15213-2586
Telephone: (412) 647-7050 or (412) 647-8232 • Fax: (412) 647-8222
E-mail: moorekl2@upmc.edu

The UPMC Center for Continuing Education in the Health Sciences reserves the right to cancel this program if sufficient registrations are not received. In the case of cancellation, the department will fully refund registration fees.

Paper Registration – A confirmation letter will be faxed or mailed if registration is completed through the mail or fax.

Please note: Registration is not complete until you receive this confirmation. If you do not receive this letter within 5-7 days of registration, please contact us at (412) 647-7050 or (412) 647-8232.

PAYMENT MUST ACCOMPANY REGISTRATION.

NO REGISTRATION WILL BE ACCEPTED WITHOUT PAYMENT.
For your future planning, the Templeton Pediatric Trauma Symposium is held the first Friday and Saturday in March every year, alternating between Pittsburgh and Philadelphia. Please also plan to join us for the 2014 Templeton Pediatric Trauma Symposium on March 7 and 8, 2014 in Philadelphia.

PITTSBURGH – A CITY WHERE IT ALL COMES TOGETHER

SPECIAL SHUTTLE — Want to see some of the special things Pittsburgh has to offer? We have arranged for a shuttle to loop through downtown on Friday evening to allow you to go beyond the hotel and explore the city.

Big city amenities, small-town friendly. That’s Pittsburgh. With a breathtaking skyline, sparkling clean rivers and magnificent architecture. Pittsburgh is a destination city.

Named one of the country’s best arts cities, conference attendees can see a wide variety of art from the Andy Warhol Museum to the offerings at the Carnegie Museums of Art and Natural History.

Seven downtown theaters present performances by the world-class Pittsburgh Symphony Orchestra, Pittsburgh Ballet Theater, Broadway Series and Pittsburgh Opera, while the city’s jazz legacy is preserved at the August Wilson Center for African American Culture. Downtown restaurants and shops are easily accessible on foot or on the “T,” an underground rail system that is within the central business district.

Shopping is convenient and a bargain, as there is no tax on clothing in Pennsylvania.

Visitors can experience the city’s beautiful skyline on board a riverboat tour or ride the Duquesne Incline to one of the many restaurants overlooking the city at the top of Mount Washington to experience firsthand what USA Today Weekend magazine named as one of the most beautiful views in America.

The conference hotel, The Marriott Pittsburgh City Center, is the “Official Hotel of the Pittsburgh Penguins,” and is located directly across from the new CONSOL Energy Center and just steps from the heart of the business district.
