Intent and Overview

This course is designed to cover the most recent advances in breast health screening and diagnosis including methods of detection, application of new technology, and benign disease and cancer management. The course content will highlight management of premenopausal and elderly patients. Upon completion of the activity, learners from several disciplines should be able to discuss the latest breast cancer methods of detection, treatment, surveillance and research and describe how these advances can be applied to their practice.

Who Should Attend

This course is designed for physicians, nurses and other health care professionals practicing in the areas of Primary Care, Gynecology, Radiology and General Surgery.

Continuing Education Credit

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Each physician should claim only credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded 0.6 continuing education units (CEUs) which are equal to 6.0 contact hours.

Meeting Location

The conference will be held at the Marriott Pittsburgh City Center, 112 Washington Place, Pittsburgh, PA 15219. If you need a room reservation for the night of October 17, please call Betsy Kelly at (412) 918-1306.

Special Needs

Participation by all individuals is encouraged. Advance notification of any special needs will help us provide better service. Please notify us of your needs at least two weeks in advance of the program by calling Maureen Hewko at (412) 623-5993.
