Advanced Life Support in Obstetrics

Thursday, April 3, 2014 and Friday, April 4, 2014

Sponsored by
University of Pittsburgh
Department of Family Medicine

ALSO® Provider Course

An educational program owned by the American Academy of Family Physicians, designed to enhance the cognitive and procedural skills of healthcare professionals to help them manage obstetrical emergencies. This course is directed primarily toward maternity care providers including physicians, nurses, and certified nurse midwives.

Overall Course Objectives

- Discuss ways of improving the management of obstetrical urgencies and emergencies which may help standardize the skills of practicing maternity care providers.
- Discuss the importance of utilizing regional maternity care services and identify possible barriers which might limit access.
- Successfully complete the course written test and megadelivery testing station.

Detailed educational objectives are listed at the beginning of each ALSO® Course Syllabus chapter.

Conference Lectures

- First Trimester Complications
- Vaginal Bleeding in Late Pregnancy
- PTL/PROM
- Labor Dystocia
- Medical Complications
- Maternal Resuscitation
- Safety in Maternity Care

Conference Workshops

- Intrapartum Fetal Surveillance
- Shoulder Dystocia
- Assisted Vaginal Delivery
- Malpresentations
- OB Emergencies-Case Presentations
- Post Partum Hemorrhage

Accreditation

This Live activity, ALSO Provider Course, with a date range of April 3, 2014 to April 4, 2014, has been reviewed and is acceptable for up to 13.50 Prescribed credits by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American Academy of Family Physicians is approved as a provider of continuing nursing education by the Kansas State Board of Nursing. This course offering is approved for 13.50 contact hours applicable for RN, LPN, or LMHT relicensure, Kansas State Board of Nursing Provider Number: LT0278-0312. This is an advanced level course and may not be suitable for all general continuing nursing education.
