University of Pittsburgh School of Pharmacy presents the Spring Continuing Education Seminar

Topics in Pharmacy Practice and Education

Sunday, May 22, 2016

Room BST S100A, Biomedical Science Tower
University of Pittsburgh • Pittsburgh, Pennsylvania

For conference updates and online registration: https://ccehs.upmc.com
The goal of this continuing education program is to educate attendees about the pharmacist’s role in decreasing vaccine-preventable illness, the importance of experiential education at the University of Pittsburgh School of Pharmacy, and the role of quality measures in community pharmacy practice.

Who Should Attend

This continuing education program is intended for pharmacists and other health care professionals interested in learning about decreasing vaccine-preventable illness, experiential education at the University of Pittsburgh School of Pharmacy, and the role of quality measures in community pharmacy practice.

Continuing Education Credit

The UPMC Center for Continuing Education in the Health Sciences is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a Provider of continuing pharmacy education. The assigned Universal Program Numbers are: 0481-0000-16-087-L04-P, 0481-0000-16-088-L04-P, and 0481-0000-16-089-L04-P.

This program provides 3.0 contact hours (0.30 CEU) of continuing education credit. Upon successful completion of the program (attending the full session and completing and submitting a program evaluation form) participants wishing to receive Continuing Pharmacy Education (NABP) Credit are required to have a National Association of Boards of Pharmacy (NABP) eMonitor number. Credits will be uploaded to NABP using your eMonitor number at the end of each calendar month.

Meeting Location and Parking

Please note that this program is being held in the Biomedical Science Tower (BST) which is immediately behind and connects to the UPMC Presbyterian Parking Garage. Free parking in UPMC Presbyterian Garage on Terrace Street. PLEASE BE CERTAIN TO INFORM THE PARKING ATTENDANT THAT YOU ARE ATTENDING THE SCHOOL OF PHARMACY CE SEMINAR. Take the garage elevator to the Yellow (D) Level and go through the doors into the BST lobby. The room for the program can be accessed from the lobby.

Objectives

After attending this seminar, the participants should be able to meet the following objectives:

**Decreasing Vaccine-preventable Diseases and Improving HPV Vaccine Rates:**

*You Are the Key — 0481-0000-16-087-L04-P*

**Speaker:** Brenda L. Cassidy, DNP, RN, CPNP-PC

- Identify current CDC recommendations for adolescent immunizations.
- Compare current adolescent immunization rates to Healthy People 2020 benchmarks.
- Define the importance of HPV vaccination for cancer prevention and rationale for routine administration at age 11 – 12 years.
- Provide useful and compelling information about HPV vaccine to parents to aid in making the decision to vaccinate.

**Leading the Way in Experiential Education at Pitt Pharmacy — 0481-0000-16-088-L04-P**

**Speaker:** Susan M. Meyer, PhD

- Explain how experiential rotations and preceptor mentoring help students personalize their education.
- Evaluate how experiential rotations align with the PittPharmacy Curricular Outcomes (adopted 2015).
- Propose specific enhancements to the experiential education program at Pitt Pharmacy.

**Quality Measures in Community Pharmacy Practice: The New Frontier — 0481-0000-16-089-L04-P**

**Speaker:** Lucas A. Berenbrok, PharmD

- Review past and current measures of quality in health care settings.
- Identify core components of quality as defined by CMS Part D Star Ratings.
- Summarize the impact of quality on current and anticipated payment models in community pharmacy practice.
