5150 Centre Ave.
Pittsburgh, PA 15232
5th Annual Survivorship Conference
Facing Forward: Care Considerations in the Post-Treatment Phase

Intent and Overview
The goal of this conference is to provide oncology health care professionals with the knowledge and skills needed to promote evidence-based care to oncology patients and their families throughout the survivorship continuum.

After attending this course, health care providers will:

- Have an increased insight into supportive care principles and its operationalization, allowing providers to help the patient directly and/or connect the patient with the right supportive care resources.
- Be able to apply knowledge of available resources by referring survivors to the appropriate resources on a local and/or regional level.

Who Should Attend
This conference is designed for oncology and non-oncology providers including physicians, advanced practice providers, nurses, social workers, and other health care providers working with patients and families surviving cancer.

Participation by all individuals is encouraged. Advance notification of any special needs will help us provide better service. Please notify us of your needs at least two weeks in advance of the program by calling 412-623-3651.

Continuing Medical Education
The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded 0.6 continuing education units (CEU’s) which are equal to 6.5 contact hours.
This program is offered for 6.5 hours of social work continuing education through co-sponsorship of the University of Pittsburgh’s School of Social Work, a Council on Social Work Education-accredited school and, therefore, a PA pre-approved provider of social work continuing education. These credit hours satisfy requirements for LSW/LCSW, LPC and LMFT biennial license renewal. For information on social work continuing education call 412-624-3711.
