2017 Cardiovascular Update Conference

Mending Broken Hearts
One Beat at a Time

Friday, May 19, 2017
Bayfront Convention Center
1 Sassafras Pier • Erie, PA

Course Directors:
Robert Maholic, DO, FACC, FSVM
Quentin Orlando, DO, FACC, FSCAI

UPMC Heart and Vascular Institute
UPMC Hamot
## 2017 Cardiovascular Update Conference

### Registration/Continental Breakfast
7:30 to 8:15 a.m.

### Introduction
8:15 to 8:20 a.m.

- **Two Hearts Beat as One**
  - Kelly Hayes, MD, PhD
8:20 to 8:50 a.m.

- **Take My Breath Away: The Cardiovascular Effects of COPD**
  - Stephen Kovacs, DO, FCCP
8:50 to 9:20 a.m.

- **Carotid Stenosis: Where Do We Go Now?**
  - Richard Petrella, MD, FACC, FACP, FSCAI
9:20 to 9:50 a.m.

### Refreshment Break
9:50 to 10:05 a.m.

### Pearls of Cardiology: Everything You Wanted to Know but Were Afraid to Ask
10:05 to 10:50 a.m.

- **Pearls of Cardiology: Everything You Wanted to Know but Were Afraid to Ask**
  - Eric Dueweke, MD, FACC
10:50 to 11:20 a.m.

### IVC Filters: Should They Stay or Should They Go?
11:20 to 11:35 a.m.

- **Q & A Session**
  - Faculty Panel
10:50 to 11:35 a.m.

### EKGs: Where’s That Infarct?
11:35 a.m. to 12:30 p.m.

- **Lunch and Networking**
12:30 to 1:30 p.m.

### Interesting Cases — Are You Awake?
1:30 to 2 p.m.

- **New Technologies**
  - Quentin Orlando, DO, FACC, FSCAI
2 to 2:15 p.m.

### Refreshment Break
2:15 to 2:45 p.m.

### Palliative Pearls for the Cardiac Patient
2:45 to 3:15 p.m.

- **Prevention of Sudden Cardiac Death: We Got the Beat**
  - Madhurmeet Singh, DO
3:15 to 3:45 p.m.

### Q&A Session
3:45 p.m.

### Closing Remarks and Adjournment
GOAL
Join your colleagues and gain the latest updates and practice guidelines in cardiovascular care! This full-day symposium offers a comprehensive review of new diagnostic techniques and therapeutic treatments, the latest clinical trials, and state-of-the-art technology in contemporary cardiovascular medicine using concise didactic presentations, combined with a panel discussion and case presentations. Electronic handouts will be made available to conference attendees.

Following this course, the participant should be able to formulate a practical approach to common cardiovascular disorders; identify the appropriate tests that can be used to determine the severity of the patient problem and make an accurate diagnosis; discuss the various treatment options available; and recognize how to treat and when to refer cardiac patients. This activity is expected to result in increased confidence in making a diagnosis and providing effective treatment, referral, and follow-up care with the overall goal of improving patient outcomes.

TARGET AUDIENCE
Family physicians, internists, cardiologists, cardiovascular thoracic surgeons, advanced practice providers, nurses, allied health professionals, and other health care professionals who treat and care for patients with heart disease will benefit from attending this educational activity.

OBJECTIVES
At the conclusion of this activity, the participant should be able to:

• Discuss management of congenital and acquired cardiovascular disease conditions in pregnancy
• Review current treatment of chronic obstructive pulmonary disease and potential effects on the cardiovascular system
• Describe the current state of treatment for symptomatic and asymptomatic carotid stenosis
• Discuss the potential implications for future trends in practice for carotid stenosis
• Review options to overcome common dilemmas in cardiology
• Describe the current indications for inferior vena cava (IVC) filter placement and retrieval with the current complications and treatment for IVC filters
• Update the current standards for VTE
• Review areas of cardiovascular disease and treatment
• Review interesting cases and cutting-edge treatments in cardiovascular medicine
• Discuss current new technologies in cardiovascular medicine and implications for practice
• Discuss palliative and end-of-life care in the setting of acute/severe cardiac disease
• Describe how cardiac care teams can maximize the experience with palliative care
• Review areas of cardiovascular disease and treatment
• Systematically evaluate and correctly identify EKG changes indicative of acute myocardial infarction (MI)
• Localize the area of myocardial damage by correlating the facing leads with appropriate area of the heart for the following MIs: anterior, anteroseptal, anterolateral, and inferior

“Excellent seminar. Program topics were very informative.”
AMA ACCREDITATION
The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA DESIGNATION
The University of Pittsburgh designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded 0.6 continuing education units (CEUs), which are equal to 6.0 contact hours.

ANCC ACCREDITATION
UPMC Provider Unit is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

ANCC CONTACT HOURS
A maximum of 6.0 nursing contact hours will be awarded. Participants will be able to claim credit commensurate with the extent of their participation in the program. Accreditation refers to recognition of continuing nursing education activities only and does not imply UPMC or Commission on Accreditation approval or endorsement of any commercial product.

AAFP CREDIT
Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

AMERICAN SOCIETY OF RADIOLOGIC TECHNOLOGISTS CREDIT
ASRT credit is pending approval.

DISCLOSURE
Faculty for this activity have been required to disclose all relationships with any proprietary entity producing health care goods or services, with the exemption of nonprofit or government organizations and non-health-care-related companies.

COMMERCIAL SUPPORT
A complete list of supporters will be available as part of the program syllabus.

CANCELLATION POLICY
Tuition for cancellations postmarked or date stamped before May 5, 2017, will be completely refunded. After May 5, 2017, a $24 administration fee will be assessed. No refunds will be made after May 18, 2017. However, substitutes are welcome. Please notify UPMC Hamot’s CME Department of substitutions and cancellations, via email to ham_cme@upmc.edu or by telephone at 814-877-5690, or via USPS mail to: UPMC Hamot CME Department, 201 State St., Erie, PA 16550.

SPECIAL NEEDS
Participation by all individuals is encouraged. Advance notification of any special needs will help us provide better service. Please notify us of your needs at least two weeks in advance by calling UPMC Hamot’s CME office at 1-800-352-2553 or 814-877-5690.

☐ I want to attend "EKGs: Where's That Infarct?"

Select the appropriate options below:
☐ $120 Physicians
☐ $60 Nurses/Allied Health Professionals/Other
☐ $25 Residents/Students

Buffet Lunch Substitution:
☐ Check this box if you would like a vegan meal.

CHECK PAYMENT OPTIONS
You can either mail this card with payment or fax this card and mail payment later with a copy of this completed form.
☐ My payment is enclosed.
☐ My payment will be mailed separately.

CREDIT CARD PAYMENT
Please mail or fax this completed form.
☐ I authorize the following credit card payment:
☐ Visa ☐ MasterCard
☐ American Express ☐ Discover

Card Number: ________________________________
Expiration Date (Month/Year): ________________________________
Signature: ________________________________

☐ UPMC Employee Payment via Journal Entry Transfer
If you are a UPMC employee and your department will be responsible for payment, we can charge your department directly. DO NOT SUBMIT a disbursement to UPMC Accounts Payable. Complete the following:

Business Unit: ________________________________
Account Number: ________________________________
Department ID Number: ________________________________
Name of Dept. Manager/Director: ________________________________
Authorized Dept. Signature: ________________________________
