Objectives

Do You Have Time to Speak with the Pharmacist? Initiating Conversations About Substance Abuse — 0481-0000-17-048-L04-P

After attending this seminar, the participants should be able to meet the following objectives:

• Discuss how and why the PharmD curriculum at PittPharmacy is designed to prepare students to address colleagues and patients at risk for substance misuse and abuse.

• Define the components of the Screening, Brief Intervention, and Referral to Treatment (SBIRT) process.

• Present the definitions of a “standard drink” and low risk guidelines related to alcohol use.

• Identify substance use risk through the use of validated screening instruments.

• Demonstrate the ability to use motivational interviewing skills to carry out a brief intervention.

• Describe how SBIRT can assist in addressing opioid use.

Who Should Attend

This continuing education program is intended for pharmacists and other health care professionals interested in learning about the Pittsburgh Screening, Brief Intervention, and Referral to Treatment (SBIRT) evidence-based practice for addressing substance use with their patients.

Continuing Education Credit

The UPMC Center for Continuing Education in the Health Sciences is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a Provider of continuing pharmacy education. The assigned Universal Program Number is: 0481-0000-17-048-L04-P.
