This year’s conference will bring together surgeons, occupational therapists, physical therapists and students to share experiences and evidence for handling the complications and the nuances of shoulder and hand injuries.

Learning Objectives:
- Participants will learn treatment techniques and rationale to most effectively treat injured patients with upper extremity dysfunction.
- Participants will develop an interdisciplinary understanding of upper extremity injuries.
- Participants will discuss the latest best evidence based practice for treating upper extremity injuries.

REGISTER BY OCTOBER 20TH

Conference:
$185 for Professionals ($100 Students)

Conference WITH Cadaver Lab*:
$300 for Professionals ($215 Students)
*MUST REGISTER BY SEPTEMBER 29th*
Limited to 20 participants (first come first serve)
No day of registrations accepted

To register, please visit:
https://ccehs.upmc.com

Mini-Fellowship (non-CEU credit):
Additional $200 Professionals & Students
To register for Mini-Fellowship on October 26-27th, please email Jodi Seftchick directly at seftchickj@upmc.edu for details
