Addressing the Opioid Crisis...
UPMC’s System Approach to Make a Difference

SEPTEMBER 25, 2017
7:30 AM – 11:30 AM

MAGEE WOMEN’S HOSPITAL
HUTCHINSON & HAYASHI AUDITORIUM
300 HALKET ST
Pittsburgh, PA 15213

Collaboratively with UPMC’s Magee-Women’s Hospital, Western Psychiatric Institute & Clinic, and General Internal Medicine, UPMC is on the forefront of the opioid crisis through a multidisciplinary approach for access to physical and behavioral healthcare. Several speakers will discuss how UPMC is working to improve the lives of people who have problems with opioids to include pregnant women and their babies.
