Updates and Emerging Topics in Pharmacy Practice

For conference updates and online registration: https://cccehs.upmc.com

Sunday, October 29, 2017
Room BST S100A, Biomedical Science Tower
University of Pittsburgh • Pittsburgh, Pennsylvania

**Intent**

The goal of this continuing education program is to educate attendees regarding updated information on immunizations for vaccine-preventable diseases in the United States and for traveling abroad, and latest information on medical marijuana and dispensaries.

**Who Should Attend**

This continuing education program is intended for pharmacists and other health care professionals interested in learning about immunizations and disease prevention, pharmacist immunizers, and the status of medical marijuana in healthcare today.

**Continuing Education Credit**

The UPMC Center for Continuing Education in the Health Sciences is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a Provider of continuing pharmacy education. The assigned Universal Program Numbers are: 0481-0000-17-097-L04-P, 0481-0000-17-098-L04-P, and 0481-0000-17-099-L05-P.

This program provides 3.0 contact hours (0.30 CEU) of continuing education credit. Upon successful completion of the program (attending the full session and completing and submitting a program evaluation form) participants wishing to receive Continuing Pharmacy Education (NABP) Credit are required to have a National Association of Boards of Pharmacy (NABP) eMonitor number. Credits will be uploaded to NABP using your eMonitor number at the end of each calendar month.

**Meeting Location and Parking**

Please note that this program is being held in the Biomedical Science Tower (BST) which is immediately behind and connects to the UPMC Presbyterian Parking Garage. Free parking in UPMC Presbyterian Garage on Terrace Street. PLEASE BE CERTAIN TO INFORM THE PARKING ATTENDANT THAT YOU ARE ATTENDING THE SCHOOL OF PHARMACY CE SEMINAR. Take the garage elevator to the Yellow (D) Level and go through the doors into the BST lobby. The room for the program can be accessed from the lobby.

**Objectives**

After attending this seminar, the participants should be able to meet the following objectives:

**Medical Marijuana (Cannabis) Comes to Pennsylvania — 0481-0000-17-097-L04-P**

- Recognize the history of cannabis and cannabis legislation in the United States
- Explain the overall content of PA Act 16
- Identify approved medical conditions for cannabis use in Pennsylvania
- Discuss the potential role of pharmacists in the medical marijuana program

**Update on Immunizations: What Pharmacists Need to Know — 0481-0000-17-098-L04-P**

- Explain the current state of pharmacist immunization providers
- Discuss recent changes to immunization recommendations in the U.S.
- Describe appropriate immunizations for patient-specific indications

**Safe Travels: Recommended Vaccinations Before Traveling Abroad — 0481-0000-17-099-L05-P**

- Recognize travel health resources available online
- Identify vaccines routinely recommended prior to international travel
- Discuss what vaccines are indicated prior to travel in the context of three patient cases
- Describe the safety of pharmacist-led travel health patient care services
