CME Accreditation and Designation Statement:

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of **6.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded 0.5 continuing education units (CEU's) which are equal to 6.0 contact hours.

Determination of credits pending for:

- Nursing Home Administrator Credits
- ANCC Nursing Credits

- Develop programs to avoid overprescribing
- Define the difference between advance directive completion and person centered planning
- Develop strategies for avoiding preventable re-hospitalization in high risk transitions
- Implement antibiotic stewardship programs according to federal guidelines
- Develop in depth policy for transfer of residents to hospitals and EDs
- Articulate and apply the National Culturally and Linguistically Appropriate Standards for Health Care to themselves and their workplace

Required Program Information:

Target Audience: This course is designed for physicians and other healthcare professionals that provide care to older adults.

Faculty Disclosures: All individuals in a position to control the content of this education activity including members of the planning committee, speakers, presenters, authors, and/or content reviewers have disclosed all relevant financial relationships with any proprietary entity producing, marketing, re-selling, or distributing healthcare goods or services used on, or consumed by patients.

No other planners, members of the planning committee, speakers, presenters, authors, content reviewers, and/or anyone else in a position to control the content of this education activity have relevant financial relationships to disclose.

Nondiscrimination, Equal Opportunity, and Affirmative Action:

The University of Pittsburgh is an affirmative action, equal opportunity institution.
